

The meeting will take place in CPAC-254 (Clayes Performing Arts Center, Rm. 254). The nearest parking lot is the Nutwood Parking Structure at 2443 Nutwood Ave., Fullerton, CA 92831. CSUF charges for guest parking, so please use the ParkMobile app or scan one of the many QR codes to pay for your spot. Once you have exited the parking lot, you may use the diagram below to locate Rm. 254. I have noted two entrances. Either entrance leads to stairwells, but the South entrance is also close to an elevator. CPAC is somewhat maze-like, so please allow yourself extra time to locate Rm. 254.

For lunch, there are many restaurants within one mile of the meeting location.
